At one time in his life Mr. Farley was Marshal of the city of Maysville, and during the War had served as United States Marshal.

He is survived by his wife and six children—Mrs. James Frost of Covington, Mrs. Bettie Davidson of Maysville, Mrs. Louanna Whaley of Blueicks, S. C. Farley of Little Rock, Ark., T. J. and W. B. Farley of this city.

The funeral will take place some time Saturday, the full arrangements not yet having been completed.

LIVERYMEN MIXED UP.

Numbers Washed Off of Vehicles, Causing Much Confusion.

Never before, as was the case yesterday, have the liverymen of this city been tested as to their capacity of providing and taking care of an immense crowd.

Everything would have gone along swimmingly had the rain been left out.

The numbers marked on the buggies to designate the ownership were washed off by the drenching rain and when called for confusion worse confounded ensued, as the stablemen could not distinguish one man's buggy from the other.

As a result of this Babylonian confusion hundreds of country people were compelled to remain in the city over night in hopes that the tangled web might be unraveled this morning.

SERIOUS ACCIDENT.

Barouche Struck By Streetcar, But Occupants Escaped Injury.

The most serious accident of the incidents of yesterday was the mishap to a barouche in which were seated a nurse and Thomas Edward Pickett, the four-year-old son of Mr. George T. Barbour and grandson of Dr. Thos. E. Pickett.

The barouche was standing on the streetcar track in front of Mr. Wells's residence in the East End, when a streetcar bowled along at a ten-mile gait, and before the driver could get out of the way the car struck the \$1,100 vehicle of Daulton Bros. and spoiled its beauty to the amount of a good many dollars.

The nurse with the child on her lap was within all unconscious of impending danger. The car struck the barouche amidship, the horses broke loose and confusion and fright reigned.

Most fortunately the injury to the occupants was trivial, but what might have been is fearful to contemplate.

The nurse, after being taken from the wreck, was found to have received only a slight bruise on the forehead, and Thomas Edward was free from hurt, owing to the faithfulness of his attendant.

GREATEST SHOW ON EARTH.
Immense Throng Yesterday to See Barnum & Bailey's Circus.

Barnum & Bailey's Circus has come and gone, and by the thousands who went out yesterday afternoon the event is not likely to be forgotten soon.

It was all that it was advertised to be, the "Greatest Show on Earth," and it is estimated that between 10,000 and 12,000 people witnessed the afternoon performance.

The show came up in several sections from Cincinnati early yesterday morning and at once began the work of unloading and putting up the big canvas in East End ball park.

It was nearly noon before the parade started from the ground, the procession coming round via the Fleming pike. The most imposing spectacle was the huge wagon to which were driven forty splendid horses, all the lines being handled by one man. The herd of twenty elephants was a sight also that had never been seen in Maysville, and with all the other animals, handsomely carved wagons, bands, etc., the parade well represented the immense program given under the canvas.

Barnum & Bailey's menagerie is an education in itself. Here are brought together representatives of the animal kingdom from every part of the world, on a scale unequalled by any other similar organization. In here also are shown the living human wonders of the circus, to the curious a source of study and thought.

Under the main canvas the program opened with a display that gave some idea of the number of people who are connected with the circus, and throughout the aerial artists, the magnificent horses, and fearless riders, and the acts given by the trained elephants, dogs, chickens, pigeons, etc., almost made the spectators wish for a dozen eyes as that nothing would be missed.

The circus managers evidently "stood in" with the Weather Man, judging from the hours the people were compelled to stay after the performance closed. About 4 o'clock a rain amounting almost to a cloudburst swept over the city, and few dared to brave the storm in an effort to get home.

The crowd was wholly unprepared for the "shower" that kept up with so much persistence, and every available means of transportation was called into use to get the people home.

However, it is safe to say that even with this additional display by the Weather Man a mass of more contented people never left a circus ground, for they had seen Barnum & Bailey's Greatest Show on Earth.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" John Wesley, because once telling is not enough. It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip, that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. Cartmell extracts teeth without pain.

Mr. James Blackburn of Woodford county was here to attend the funeral of Mrs. Laura Dimmitt, his sister-in-law.

The nineteenth annual reunion of the survivors of the Seventieth Ohio Regiment will be held at Rome, Adams county, O., Thursday and Friday, October 15th and 16th.

Mr. George Farwick, who has been working in Cincinnati for the past year, will leave that city next Sunday for Omaha, where he has accepted a position in a large plant.

The Rev. Henry E. Gabby officiated at a wedding at Owensboro a few days ago that for brief courtship carries off the palm. Mr. Samuel Bottom of Louisville and Miss Willie Alexander met at the home of a friend and within six hours after their introduction were made husband and wife.

All kinds of School Supplies are sold at Ray's Postoffice Drugstore.

Mrs. Nation didn't carry on to any great extent when apprised of the demise of her husband, it seems.

Mrs. L. V. Davis is now prepared for the fall trade with a choice line of Millinery, and confidently invites an inspection of correct styles.

LIZZIE EVANS IN "AT COZY CORNERS."

The Columbus (O.) State Journal of October

4th says: Miss Lizzie Evans appeared at the Great Southern Saturday, matinee and night, and scored a hit in a simple little play, "At Cozy Corners," in which she enacts the star part. The play is not unknown to Columbus, having been exploited here last season by Miss Adelaide Thurston. Miss Evans is not quite so simple and sweet as is Miss Thurston but she is more skilled and effective as an actress, and has, moreover, more nearly apprehended the psychology of the part she interprets.

Miss Evans also possesses a very attractive appearance and dresses well, thus giving the side lights that any stage impersonation may reasonably be expected to have. Since its last performance in Columbus, the play has been slightly made over. Its cast has been made numerically stronger and some of the comedy element has been altered.

At the Opera-house, Saturday, matinee and night, October 10th.

Seats now on sale at Ray's Drugstore.

\$100—Reward—\$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. THE BEE HIVE!

The Question

Now is, Who Can Help You Most With Your Fall Shopping?

The answer is partly told in this advertisement, but fully told by a visit to the store. Today's talk will be on ready-made goods, and this department we are especially proud of, for we believe that there are few stores that show and sell the amount of ready-made goods that we do. (Of course we mean towns the size of Maysville.)

LADIES' SUITS.

We are told daily that the best line of Suits in town is here, and at the rate we are selling them there is no doubt of it. Suits from \$10 up, but we are selling more from \$15 to \$35.

CLOAKS.

From the one-day-old to the any age, and while the weather is warm of course you don't feel like buying, but did you know that the best choice is the early one. Almost a thousand garments to select from, and where in Northern Kentucky can you get such a selection? Come and look, even if you are not ready.

MUSLIN UNDERWEAR.

We fit up most of the brides from the five counties around us. Who is more particular than a bride? The best of undergarments are had here and fair prices rule.

SHIRTTWAISTS.

In this line even our competitors admit we are supreme. "The Royal," the Queen of the land; the best stores in every town carry it. Prices \$1.49 and up.

WRAPPERS and DRESSING SACKS.

A little department by itself, but hardly an hour passes in the day that some lady isn't made happy by the provision we have made for her home comfort. 79c up, and all cut full.

HATS.

Trimmed and ready-to-wear. For the very highest price hats you must go to the millinery store—we are only after the lady that cares to save a few dollars on a hat. \$10 Hats for \$5, and we please you at the start—no coming back to see if it fits.
